

April 10, 2018

Notes from the Bid Opening held Tuesday, April 10, 2018, at 9:00 AM, at the Keene Town Hall. The following individuals were present: Joseph P. Wilson, Supervisor, Jim Bernard, Keene Clean Energy Committee Representative, Derrick Martineau, Code Enforcement Officer and Ellen Estes, Town Clerk.

This bid opening was advertised for a roof mounted or ground mounted solar system.

This brief meeting began at 9:20 AM with Mr. Bernard saying he would compare the bids, apples to apples, and bring his feedback to the Town Board for tonight's meeting.

A bid from APEX Solar was mailed on April 6, but had not been received as of this opening. An electronic copy was sent to Mr. Bernard this morning and read aloud.

- The final cost for a roof mounted solar system from APEX Solar was \$48,144.00.

Mr. Wilson opened the other two bids:

- Croton Energy / ADK Solar bid \$50,053 for a roof mounted solar system (Mr. Bernard said this cost should go down when the NYSEG reimbursement is calculated in)
- Solar Liberty Energy Systems bid \$49,766.40 on a roof mounted system and \$47,736.00 on a ballasted ground mounted system.

Mr. Bernard said he would work on the comparisons today and hoped to discuss his findings with the Town Board tonight. He said the bids are subject to final calculations.

This bid opening was finished at 9:25 AM.

Ellen S. Estes, Town Clerk
