Notes from the Street Light Workshop held on Tuesday, July 23, 2019, at 6:00 PM, at the Keene Town Hall. The following Town Board Members were present: Joseph P. Wilson, Jr., Supervisor and Teresa Cheetham-Palen, Town Board Member. Absent: Robert M. Biesemeyer, Michael J. Buysse and Jerry D. Smith, Councilmen. Also present were: 6 residents and Ellen Estes, Town Clerk.

Discussion regarding street lights began at approximately 6:00 PM.

Ann Hurd said she was asking for 2 street lights to be added on Beede Lane for safety, one at the bottom of her driveway, on an existing pole to light the intersection of Beede Lane and Stagecoach Road, which would also light a small hiker parking area and one at the intersection of Beede Lane and Phelps Brook Lane.

Ms. Cheetham-Palen said she'd need to look at these areas and think about these requests.

Tom Fine asked if and stated that the light at the end of Church Street should stay. He said it lights the intersection and multiple driveways. Ms. Cheetham-Palen stated that that light is not listed for removal.

Mr. Fine said he has noticed there are two lights side by side near the Dartbrook Lodge; Ms. Cheetham-Palen said one of them will be removed.

Discussion went on to review other lights listed for removal until approximately 7:40 PM; with no quorum present to take action, I left the meeting at approximately 6:20 PM.
