MAY 10 2022

Dear Joe Pete,

The Keene Valley Library Association extends heartfelt thanks to Town of Keene for its ongoing support with their donation of \$6,365. The Keene Valley Library will be able to continue to serve the intellectual and cultural enrichment of the community due to support such as yours.

This rich heritage has endured because of the financial support of our Adirondack communities. Our mission is as strong today as it was over 130 years ago when the Keene Valley Library was founded by the Cottage Ladies.

*The mission of the Keene Valley Library is to connect people to ideas, experiences, information, and the community in a comfortable, welcoming setting. We strive to do this through: Providing adults and children with a collection of current and relevant books, other media, and local Adirondack historical resources; providing an inviting and lively cultural center for community events; Evolving as our community grows and technology advances.*

The generous support of our town is more vital than ever during these uncertain times. Our normal fundraising activities will most likely need to be reduced or eliminated altogether. That makes your generosity that much more vital to our survival. Like the school, the library has been providing virtual programs and activities for children and adults alike.

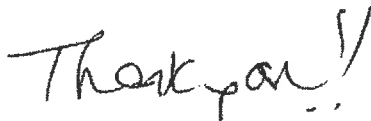

Thank you again for your generous support.

With regards,

Carolyn Peterson

President, Keene Valley Library Association
