1. organization

- a) Equipment
- b) Admin

2. Update from Summer Program Director

- Summer program incident report for future use
 - Overview of summer program: good summer, large number of kids and large consistent group. Trips a success(helpful with parent chaperones). Positive feedback from Mr. Bennet. Increase of behavioral issues with larger numbers.
 - Field trips in the future: pay full price ahead of time? Add to intro packet of paying before camp begins. If unable to pay in full at beginning of summer then a spot is not guaranteed. No refunds.
 - Review packet to streamline registering, online registration
 - cell phone policy, no phones or devices
 - camp starts and ends at set times and late drop off / early pickups must be communicated in advance with Haley notwithstanding an emergency
 - New hires: early April(post in February). Apx six positions will be open. Health director 18+ position open. Beneficial to have someone else 21+. Post listings in colleges etc.
 - Start camp later than last year due to multi age trip which returns 7/10/27.
- Revisit topic 1/2027
- hours to remain the same, counselors hours staggered afternoons worked
